

Dear Patriot,

We want another miracle.

Passing TABOR was a miracle, and took great effort over five years. But TABOR was only about money. Other items in a conservative agenda are school choice; end gender and race abuse of children; simpler recalls; a four-line state income tax return; limit state employees; term-limit judges; strong property rights; and election integrity. Your ideas?

PetitionRights.com starts our climb back. Its Fifteen Facts lists how low our rights have fallen. Why? Politicians punished us for passing TABOR. Reject that result. The PRA (Petition Rights Amendment) is 10X stronger than TABOR. Its power protects our basic rights, which the Founding Fathers wisely enshrined in the First Amendment.

We want to make Colorado the model of free and honest government. Support is simple. **100 citizens in Colorado each getting 100 entries daily (14 per hour X 7 hours) is 10,000 entries daily. In 19 days, 190K entries tops the inflated entries politicians illegally imposed.** Our 1910 constitution **legally** requires “only” 125K entries.

People recently got \$1,600 state TABOR refunds. Earning one dollar per entry is better. Do it for your church or charity or PRA. Let 10 friends help. Recruit 10 seniors, those in wheelchairs, or new voters. Help DAV and Goodwill. \$1,900 beats any bake sale.

Need a motivator besides patriotism and money? Re-read Fifteen Facts. It will make you angry. Our nation and our state are falling into insanity. This tedious but vital cause aids your children, grandchildren, and those yet unborn.

In 1992, one senior citizen (“Georgia”) collected 2,200 entries in Pueblo all by herself as a volunteer. Our corrupt state voided ALL 2,200; Georgia (now deceased) had not listed her *middle initial* on her 22 petitions (!) Her affidavit #23 proved she did not HAVE a middle initial! Her 2,200 restored entries put TABOR on the ballot. Another miracle.

The Founding Fathers pledged their “Lives, Fortunes, and sacred Honor.” Be one of 400 or 500 heroes. Delay your hobby; save our state. Recall Proverbs 29:18: “Where there is no vision, the people perish.” We are all *blessed* to be Americans. Politicians whine, “Trust representative government (them).” Our reply was always “We the People” and “Trust Yourselfes.” Were we right? Do you believe? Please help.
