

## REGAIN YOUR RIGHTS! CLEAN UP POLITICS!

Our country is at risk. The conservative Right must defeat the Radical Left. Our parents fought fascists and communists; we must fight them again. This is our moral duty, the call to action of our generation. Freedom is not free.

Our Founding Fathers gave us the tool to win—the First Amendment’s eternal wisdom. Peaceful citizen protest by petition will always prevail.

The Petition Rights Amendment (**PetitionRights.com**) restores the 1910 law politicians have cynically eroded as their revenge for TABOR’s win in 1992. Read PRA’s Fifteen Facts to see how far our right to petition has declined.

PRA is short, simple, and fair. It allows petitions to all local districts; we now have no right to petition a school district or county. We have the least time to petition of any state. The state calls nearly all bills “emergencies,” and thus unstoppable by petition (**35,000** lies since 1933). The state, no longer neutral, is now openly hostile to petitions.

500 patriots statewide can put PRA on the 2026 ballot. Petition work is very boring but vital to add public voices. You can collect 400+ entries in two weekends at Walmart exit doors. In life, 1% of people make things happen, 4% watch things happen, and 95% later ask “What happened?”

To make it easier, you can be **PAID** to get registered voter entries. Simply collect 300+ each week, get PAID \$300+. For a bonus, get 500+ in a week and earn \$750+. Using the Petitioner Tips at the website, average 15-20 entries per hour. In a few months, you can earn many thousands of dollars.

Get your service club, church, or civic group to help. 100 citizens getting 300 entries each can raise \$30,000. Don’t want to pay income tax? Assign your earnings to a local project, political club, or charity, or forgo the money.

You should live your values. Take a stand. What side are you on?

Defund the police, or Law and Order?  
Gun control, or self control?  
Loose voting rules, or election integrity?  
Gender confusion, or healthy families?  
Collective guilt, or respect private property?  
School socialism, or parental choice?  
Border invasion, or the Rule of Law?  
Government spending, or stable prices?  
(On all issues, Big Government v. Freedom.)

The state GOP endorsed the Taxpayer's Bill of Rights (TABOR) Amendment. It took three times to pass as a petition; it has saved us Billions in taxes. PRA is 10 times stronger than TABOR because PRA is not limited to money issues.

What ignites your passion? Gasoline prices? Judges? Crime? Taxes? Covid scams? Fake fees? Tax-paid abortion? Waste? Justice is not found trusting politicians, but trusting petitions (citizen voices). We oppose Tyranny.

Americans will vote for Freedom. The Left is the enemy within. Get involved. PetitionRights.com unites us. *Keep the faith. Believe in America.*

the truth shall make you free.
